Designer Mixtures

Xtreme[™] is by far the best choice for growers looking for an early and compact series with the highest seed quality on the market.

'Utopia Mix'

Lavender, Rose, Salmon & Violet

Stimulate sales and increase profit margins with Impatiens Designer Mixtures from Syngenta Flowers. Designer Mixtures eliminate the need for custom mixes at the grower level or agonizing over color combinations at retail.

Offer Designer Mixes in flat configurations (which encourage high volume purchases) to obtain the knock-out look consumers crave! Designer Mixtures are stunning in large hanging baskets or containers – with no two baskets looking exactly alike!

Mosaic[™] is second to none for flower power and garden performance!

The unique flower pattern is truly something different.

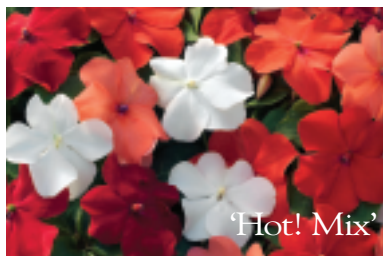

'Pastel Mix'
